More and more, Community Health Workers are becoming an essential component of the healthcare system. They help community members gain access to care, increase their knowledge, help prevent disease and improve health outcomes. In this program, you’ll learn about the role of Community Health Worker, how to provide culturally appropriate health education and outreach, advocate for your clients and more. You will also be prepared to take the Mental Health First Aid Certification exam.

To sign up, contact Jo-Anne Leventhal, jleventhal@capitalcc.edu or 860.906-5143

This workforce solution is funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration.
